APPENDIX A:

YOUNG IKES WORKSHEETS PROMOTIONAL FLIER

young IKES Worksheets

The Izaak Walton League's newest youth-focused materials help children understand the natural world around them and what they can do to protect our precious natural resources. Each page was designed to print out easily from your home computer for your chapter's use. To download any of these worksheets, visit our Web site at www.iwla.org/YoungIkes. Then duplicate the pages as many times as needed.

These four fun worksheets were developed specifically for kids 5 and younger:

Connect the dots to discover a very common wild animal found across the United States. What is it?
(One insect is hidden in there!)

There were almost none of these left 100 years ago. People stopped to protect these animals, and today you can find them almost everywhere!

Learn more about the wonders of www.iwla.org/YoungIkes | 800-363-1234

Help the fish find its next insect meal.
Fish need clean water — and so do the insects they eat. Some insects can only live in water that has little or no pollution.

Kids ages 6 to 8:

What's for dinner?
Connect the dots to discover these hungry animals.

These North American animals — eagle, wolf, and snake — are looking for their next meals. Every wild animal, other predator or prey, has its place in the food chain.

Kids ages 9 to 11:

Pond Life
Ponds are home to a variety of fish, mammals, birds, reptiles, amphibians, insects, and plants that live in and around the water. Can you identify them?

Wildlife Needs Dead Trees
Many animals rely on dead and dying trees. Use the picture to help you associate the animal names below.

leo _____
alb _____
corpse _____
sompuss _____
seenuerndik _____
albot _____
n'w _____
dsiamera _____

These trees provide many important benefits to wildlife, including a source of food and a place to rest or hide. After trees drop their nutrients return to the soil to feed new plants.

ANSWERS: owl, bat, raccoon, opossum, woodpecker, beetle, wren, salamander

Signs, signs, everywhere there are signs.

You may not always see them, but wild animals are everywhere in outdoor America. Match the animal names to signs commonly found in nature — and learn what to look for on your next walk in the woods.

BEAR

BEAVER

DEER

EAGLE

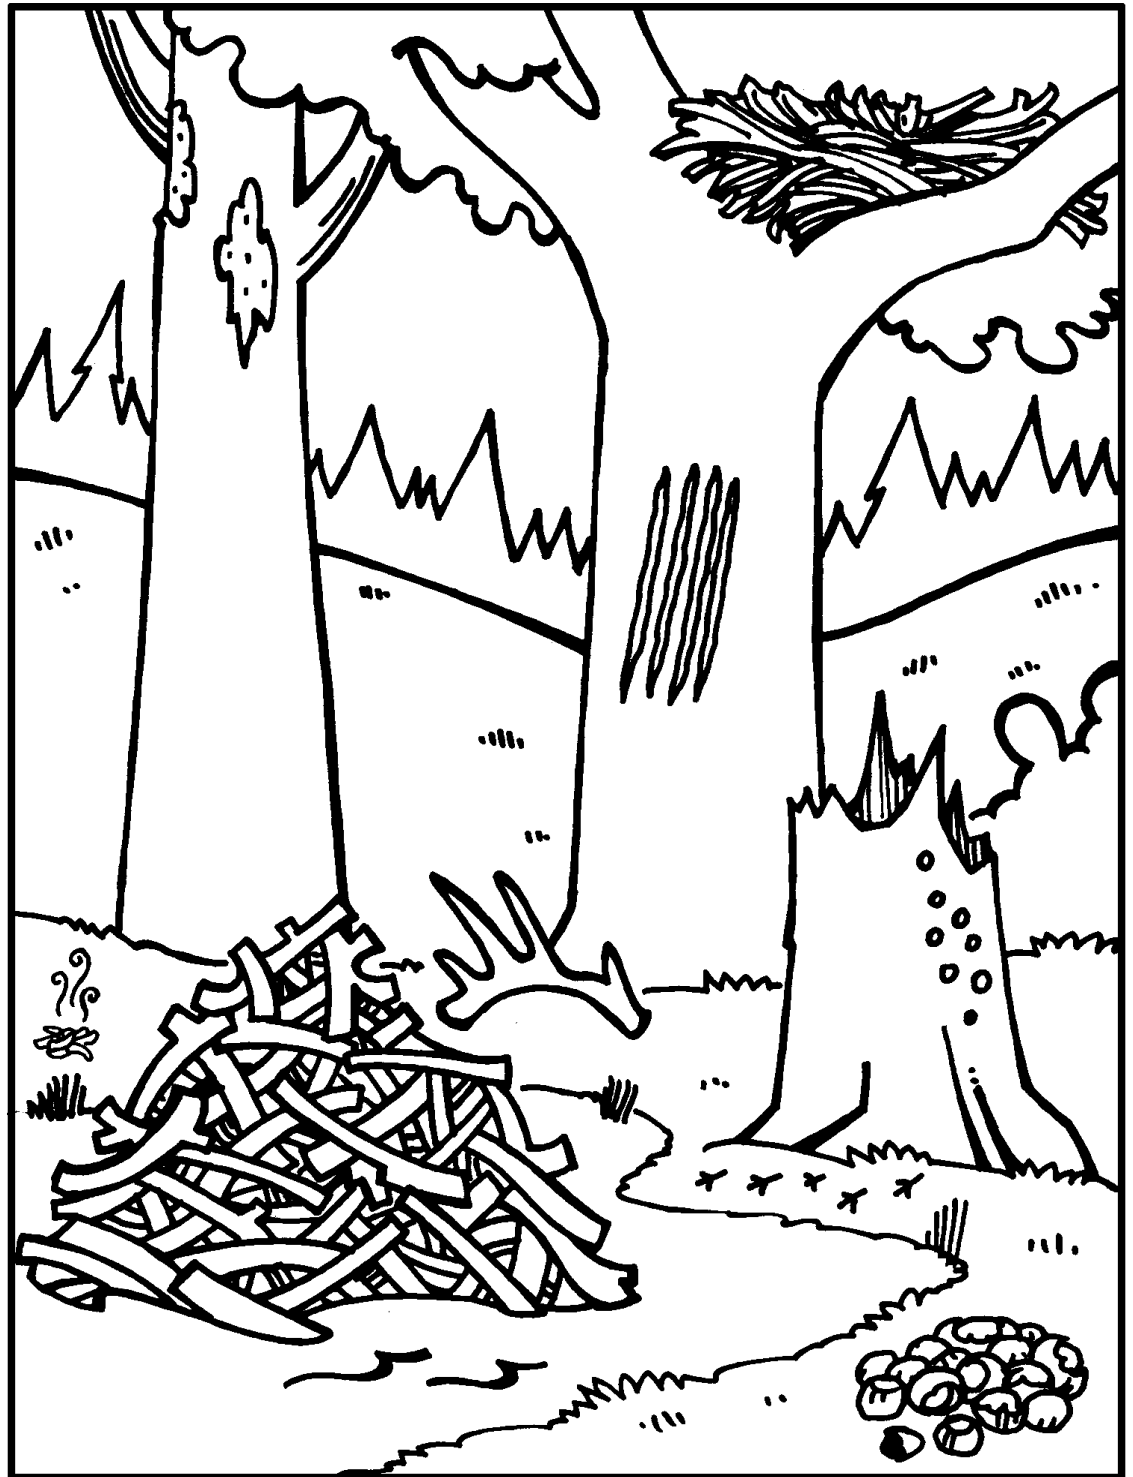

PORCUPINE

RACCOON

SANDPIPER

SQUIRREL

WOODPECKER

ANSWERS: Bears claw trees to sharpen their claws before a hunt. Beavers build lodges in the water. Deer shed antlers each year and grow new ones. Eagles nest in trees to raise their young. Porcupines are herbivores and eat the bark off tasty trees. Raccoons eat and later leave behind an obvious animal sign. Sandpipers hunt for food at the water's edge. Squirrels love nuts! Woodpeckers bore for insects under the bark of dead or dying trees.

APPENDIX C:

YOUNG IKES ACTIVITY BOOKS ORDER FORM

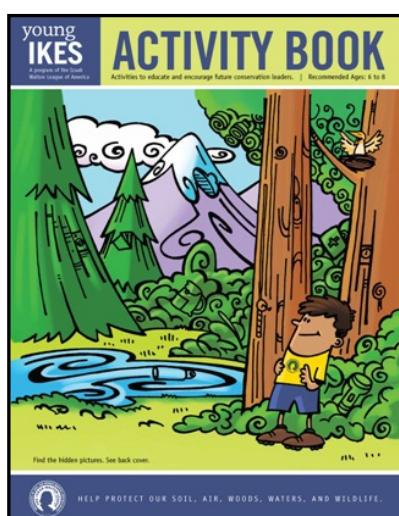

IWLA Young Ikes Activity Books

Izaak Walton League members across the country have been leaders in connecting young people to hunting, fishing, conservation, and the great outdoors.

Available in vibrant color with original illustrations on 100% recycled paper, these two newly-produced **Young Ikes Activity Books** are filled with games and puzzles designed to engage future conservation leaders. Activities were developed using age-appropriate concepts and are centered on the League's core conservation mission: Defending America's soil, air, woods, waters, and wildlife.

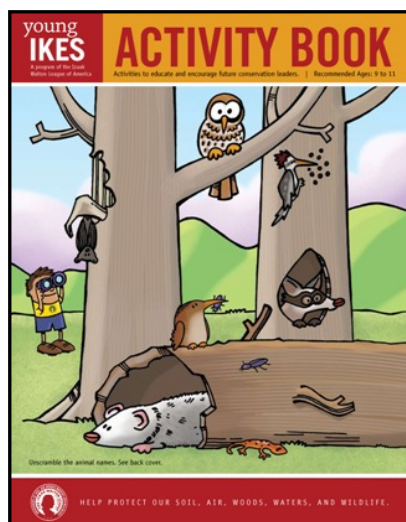

These activity books are ideal for introducing youth to conservation issues, whether you have a Young Ikes program at your chapter or are working with youth in your community. Each book includes space on the back cover for you to personalize with chapter information (e.g., phone numbers, address, meeting dates, Web site).

Inside each book you'll find ...

Activities for youth ages 5 - 8:

- **Soil:** Matching animals and insects to their places above and below ground.
- **Air:** A maze that helps youth navigate around air pollutants.
- **Woods:** Coloring page that helps youth match the names and images of animals that rely on dead and dying trees for food and shelter.
- **Waters:** Crossword puzzle on animals that live in and around the water.
- **Wildlife:** Connect the dots – and the North American predators to their prey.
- **Bonus:** A hidden picture puzzle that encourages youth to explore outdoor America.

Activities for youth ages 9 - 11:

- **Soil:** A crossword puzzle that explains problems caused by soil erosion and introduces organisms beneficial to soil health.
- **Air:** An energy quiz that explores the pros and cons of different sources of energy, including their potential effects on air quality.
- **Woods:** A word scramble using the names of animals that rely on dead or dying trees for food and shelter.
- **Waters:** Finding the differences between two pictures to identify actions people take that can improve or damage water quality in nearby streams.
- **Wildlife:** Matching animal names to signs left by wildlife.

To view these activity books online, visit www.iwla.org/youngikes.

LIABILITY WAIVER AND PHOTO RELEASE FORM

Chapter **Izaak Walton League of America Liability Waiver and Photo Release**

PLEASE READ THE WAIVER BELOW PRIOR TO SIGNING

I acknowledge that I am voluntarily participating in an Izaak Walton League Chapter event (activity, project and/or training course). I understand as a volunteer participant that I will not be paid for my services, that I will not be covered by any medical or other insurance coverage provided by the Izaak Walton League of America, and that I will not be eligible for any Workers Compensation benefits.

I hereby agree that I, and anyone else claiming through me, will not make a claim against the Izaak Walton League of America, any of its affiliated and partner organizations or contractors, or either of their officers or directors collectively or individually, or the supplier of any materials or equipment that is used for such an Izaak Walton League Chapter event, or any of the volunteer workers, for the injury or death to me or damage to my property, however caused, arising from my participation in an Izaak Walton League Chapter event, including any such claims which allege negligent acts or omissions of the Izaak Walton League of America and/or other above-named parties. This release is intended to be broad in its effect. I hereby agree to accept any and all risks of injury, illness or death in connection with my participation in an Izaak Walton League Chapter event. I have carefully read this assumption of risk and general liability release agreement, and I fully understand its contents. I am aware that this is a release of liability and a legal contract between me and this Izaak Walton League Chapter, its State Division, if applicable, and the Izaak Walton League of America and that it affects my legal rights. I am signing this document of my own free will.

I further consent to the unrestricted use by the Izaak Walton League of America and/or person(s) authorized by them of any photographs, recordings, interviews, videotapes, motion pictures, or similar audio and/or visual recording of me and/or my family members.

Outdoor Recreational
Events & Activities

The Izaak Walton League has made available a set of five chapter promotional posters along with editing templates and “blank” poster stock for your chapter’s use. Each poster is available in pre-printed full-color stock (8½” x 11”) with an open section for inserting your chapter’s event/activity title, date, location, other contact information, and Web site.

Using the poster stock and templates, your chapter can easily create attractive posters for your promotional use. Chapters are encouraged to produce and distribute their own posters and use them to promote specific information about their League chapter in their community!

TO ORDER

Use this form to request free, limited bulk quantities – up to 25 copies (of each design) at one time – of the “blank” IWLA chapter promotional poster sheets from the IWLA National Office. Please allow 10 business days for fulfillment of your order.
